

# Alaska Medical Library

<http://consortiumlibrary.org/aml>

*Supporting patient care in Alaska since 1969*

Alaska Medical Library (AML) is **your** medical library.

- **Order articles**—We deliver a PDF version to your computer.
- **Request a search**—Medical librarians search the literature for you.
- **Borrow books**—Loans from UAA’s collection and from other libraries.
- **Keep current**—We can set up an automated search on a topic or journal of interest and email regular updates to you.

Go to AML’s website to access:

- **Access Medicine**—core medical titles, case files, point-of-care tools
- **GIDEON**—global infectious diseases and vaccines database
- **Natural Medicines**—integrative medicine database
- **Online books**—over 800 medical and health ebooks
- **SLED Databases**—online library for Alaska residents
- **PubMed.gov**—accessing PubMed from AML’s homepage allows you to click this icon for full-text articles provided free via Alaska’s SLED Databases 
- **Loansome Doc**—instructions for registering for PubMed’s online ordering service
- **MedlinePlus.gov**—trustworthy health information for patients and their families
- **Arctic Health**—National Library of Medicine/UAA website focused on issues affecting the health and wellbeing of people in the Arctic
- **Resource Guides**—online guides for finding trusted medical and health information

Complete our free, one-time registration to access library services and resources. To register, go to our website and click on the link in the upper right corner.
