ONCOLOGY

As decided by P&T committee July 16, 2010, all **oral** oncology items will be treated as an "open formulary items". Pharmacy will not routinely stock chemo in the pharmacy, but will obtain any requested chemotherapeutic treatment upon being given notice of the specific medication needed (P&T agreed on 2 weeks' notice to allow time for acquisition of the drug). YKHC Hospital does not currently provide IV chemotherapy infusions. Non-hazardous chemotherapy adjuvant medications (all formulations) may be included in the "open formulary status" and will be obtained by YKHC pharmacy when possible.
